Torrens titled, essentially freestanding and superbly engineered, this newly completed double brick residence has been designed and finished with meticulous attention to detail and offers every possible comfort in stunning style. Inviting living spaces, curated by the prestigious Mia Lake Interiors, are the perfect backdrop for the bustle of family life, while tranquil private areas provide respite from the pressures of day-to-day life. Beautifully rendered outdoor areas set the scene for successful entertaining, while a detached studio apartment with separate rear lane access (with garage as optional) creates options for multigenerational living or an income-boosting rental. Enjoy excellent lifestyle convenience, with top schools, transport, motor ways, shops, parks and golf courses just walking minutes away. Rear lane access to dual individual lock up garages integrated into alarm remote, which opens up to sliding glass doors to the rear backyard and courtyard.
