This New York-inspired loft apartment on level one of the acclaimed 'Meta' building near Harmony Park displays a fusion of historic ambience and edgy urban style underpinned by the hallmarks of French industrial designer Phillippe Starck with Richard Francis-Jones. Oversized interiors with staggering 5.3m ceiling heights, warehouse windows, wood beams and exposed brickwork provide a textured canvas for contemporary living, while considered enhancements further advance functionality, comfort and convenience. Quiet and private, it's ideally positioned moments from Oxford and Crown Streets, the World Square precinct, Museum station and through Hyde Park into the CBD. With original iconic fittings and lighting by industrial designer Phillippe Starck, this timeless warehouse conversion offers convenience and charm for the astute investor or first home buyer.- Landmark building with video entry security and lift access - Tall windows fill the open living/dining area with natural light- Modern kitchen has serving window and updated appliances- Upstairs bedroom has built-ins, separate study/reading nook- Fully tiled bathroom includes bath, laundry with second WC - Blackbutt floors, air conditioning and generous new storage- Stroll to a choice of cafes, restaurants, shops and transport
