Tucked away on a large internal block (approx. 1682sqm), this beautiful split level home is simply stunning. Offering exceptional living with 4 bedrooms, modern kitchen, 3 bathrooms (including the granny flat) and has been tastefully appointed throughout. It is so private and hidden away that when you are sitting in the lounge room and looking out into the garden, it would be easy to forget that you are in the middle of Park Grove! The real bonus with this one is the superb self-contained separate granny flat which would be ideal for an older relative, teenager or an extra source of income as a potential rental property. Ideally located, in walking distance to education facilities from preschool right through to university, the North West Regional Hospital, local gym, and backs onto a vacant block that leads down to the netball courts and Park Grove IGA. Featuring lovely established grounds, cathedral ceilings, formal dining, gas heater and slab heating throughout the home this property will impress from the moment you turn down the driveway. Representing a very rare find in such a desirable location.*Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
