Relax and enjoy the bush scenery, from the under-covered back deck, and windows of the spacious living room. This is a recently built 3 bedroom home with an open plan living area. The ensuite has a large walk-in shower. The spacious bedrooms all have built-ins. The property is currently rented until June 2025 with good tenants should you be looking to invest in a very good rural North West Tasmanian town. The block has a flat contour if you are an elderly couple or for children to enjoy the large area to play. There are walking tracks to enjoy and the new dog park should you have animals. The local school is only a short walk, and a great location to take your daily walk along the waterfront of the Duck River. There is plenty of room to build a huge shed if needed on the block. The home catches the sun all day which is important for our Tasmanian weather. WE are available to do a video inspection for any interested Purchaser.
