Welcome to this solid block 3-bedroom home offering comfortable living and convenience throughout. Inside, you'll find excellent working evaporative cooling throughout. 3 generous-sized bedrooms, main with split system and all with built in wardrobes along with a separate study. The modern centrally located kitchen is a highlight, featuring an oven, loads of storage, and bench space for meal preparation. Separate dining and lounge areas offer flexibility for entertaining and family gatherings. A neat and tidy bathroom with built in, along with a separate powder room and toilet, provides convenience for the whole family. A concrete driveway provides ample parking space, security sensor lights and crime safe installed, while the 2 garden sheds offer great storage. The huge fully fenced irrigated yard is shaded and cool. An undercover tiled entertaining area runs the length of the home, offering the perfect spot for outdoor dining and relaxation. Established trees and gardens, along with a water feature, create a peaceful and inviting outdoor space. Additionally, the covered laundry is a great use of space, offering convenience and functionality. Experience comfortable living in this well-appointed home, with plenty of space and amenities to enjoy. Call the team at City & Country Realty TODAY!
