39.31ha (97acres) red loam soil. Suit horticulture, private lifestyle or a property where you can enjoy the wildlife or your own animals. Peaceful living on this picturesque property overlooking well established Gum trees. 2 dams. Off the grid power - solar panels and batteries - gives all the power you would want - lights & fridge at the very least. Container-style home, folds out to a kitchen dining living area with wood heater, bathroom and bedroom. The property is not fenced but has been outlined with electrical tape on the boundary and energized.
