\$330,000

Located in the center of Allentown only minutes away from Allentown shopping center is this 3-bedroom cottage home with plenty of charm. Walk inside and be greeted by beautiful hardwood floors emanating with character. The 3 spacious bedrooms are carpeted which lead into a stylish modern bathroom that has been fully renovated from the ground up. The kitchen/dining has plenty of room for family dinners and a separate laundry area close by. Be ready to host plenty of outside gatherings with the covered deck, spacious backyard, and a concreted awning on the side of the house. This home has been well positioned to allow side access down to a double bay shed for ample storage. If you're a first home buyer or investor this is the perfect house for you. Contact us today.
