This flawless four-bed entertainer takes contemporary modern living to an exciting new level. There's quality to admire at every sophisticated turn and in every exquisite opulent detail. Sumptuous earth-toned flooring and crisp white walls through to its sleek tiling, bold furnishings and striking black fixtures and fittings, imagine coming home to this high-end wonderland. A powerful fusion of space and light and with modern architectural appeal, the open-concept layout and oversized ceiling heights combine to create an iconic look and feel. Let's not forget having schools, public transport and amenities at your fingertips. The ground floor consists of 2 separate living zones, separate dining area, an oversized kitchen with a butlers pantry, along with that you've got your 4 spacious bedrooms on the second level along with central bathroom and ample cupboard space. The light-filled kitchen/living/dining zone is a masterclass in good taste and refinement. The chef-grade kitchen has elegant storage solutions and a distinctive tiled splash back as well as 900ml stainless steel appliances and the most stunning waterfall-edged concrete island bench. High-grade triple stacker sliding doors open out to your private alfresco which is under the roofline. This generous outdoor space will be enjoyed by everyone. Other features include a laundry with extra storage, alarm, study, heating, cooling and a single remote garage with access inside and much much more. Come and get me!
