115 Linnings Road, Haigslea Qld (Lot 11) 5 Ha (12.35 acres) This is an exceptionally clean and tidy property, very low maintenance, a testament to the previous owners who looked after it for 98 years. Many home sites with glorious rural views in all directions. You get to choose the aspect and location of your home. Beautiful Fairney Brook meanders through, with gorgeous Lillypad covered lagoons and waterholes supporting an abundant array of waterbirds. Power - 3 Phase Full pressure Town Water Rates only \$618.15 per ¼ Fully fenced into 2 paddocks. Historical farm building. Grazing to the front, cultivation and some timbered area to the rear. Corner block with more than 100 meters of bitumen road frontage. Close Haigslea state school, only 10 minutes to high school, Ipswich City centre only 15 minutes. Don't think I've ever seen a property quite like it, this has everything, I mean absolutely everything. Large properties so close to the city are getting extremely hard to find. This one is exceptional. Secure this magnificent estate for your family's future now or miss out forever.
