Three bedroom home on a superb bush block with fantastic stands of mature eucalyptus trees and untouched native bush. The character filled home is in need of some renovation with the new owners able to put their stamp on it. The lounge has solid fuel heating, ceiling fan and wall mounted air conditioner and opens off the central hallway. The master bedroom opens to your left. There is a central dining or second living area which leads to the country style kitchen/dining room with gas cooking. A sliding glass door lets in the morning light and opens to the back deck. The third bedrooms opens off this area and is in need of some repairs to the ceiling. The second bedroom is adjacent to the bathroom. The large laundry will need repairs to the ceiling. Outside there is a double garage with concrete floor and a second storage shed. The property is being sold on a walk in walk out basis. The property offers commanding views across the surrounding countryside and is perfectly situated just a few minutes from the iconic Tooborac Hotel and 1.5hrs Melbourne. This affordable property is a blank canvas waiting for the new owners to create the next chapter. Book your inspection today.
