Tucked away in a quiet cul-de-sac this great little property is a real surprise package. It has just undergone a delightful mini make over and has been freshly painted through out with new carpet, tidy kitchen and bathroom and there is great undercover deck area off the back door. This house has nice neutral tones, that will be easy for the new owners to mix and match with and this property really is just ready to move into and enjoy. So if you are looking for great value real estate on a budget, this place will be hard to beat. *Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
