\$449,000 (Private Sale)

Love the latte living, enjoy the commuter life, find the beach in reach, or invest in a beachside address...live twice the life with your own sky garden terrace! High above Hampton St's beachside retail and rail strip, this upscale one bedroom apartment offers twice the life with internal living space virtually doubled by a vast sky garden terrace. Showcasing this prestige group's signature quality and design with a prestige Asko appliance kitchen with full-size gas-cooktop, a sleek bathroom with discreet laundry facilities, this cool coastal apartment shines with pure-white stone benchtops, light Oak floors, tall mirror-robos and sleek dual block-out and e-screen blinds. Appointed with individual reverse-cycle climate control for both living and the bedroom, there's video-intercom entry and a fob-access lift adding twice the security, and basement garage with walk-in storeroom doubling the ease. There's even a big bench-seat for the sky garden terrace doing dual-duty as entertaining seating or relaxing day-bed! With cafes and restaurants at the door, the station two blocks away, and the beach within a jog, this One has more than twice the life ...there are multiple lifestyle options too! For more information about this sky garden single contact Craig Harrison at Buxton Hampton East on 0459 991 120
