This impeccably presented almost 2 acre property is as new and presents a stunning kitchen with stone benchtops, dishwasher, soft close drawers and a massive walk in pantry. The spacious open plan living area is air conditioned and opens up to a large covered entertainment area taking in all the view has to offer, colourful skies and sunsets, flickering light over the huge dam and native ducks frolicking. There are 4 bedrooms with fans and built in robes, the oversized master positioned at one end of the home offering a walk in robe and spacious en-suite and the family bathroom has plenty of room with a separate bath and shower plus separate toilet off the roomy internal laundry, a handy spot when popping in if outdoors. The design incorporates a small children's activity room central to the remaining bedrooms or a handy work from home office away from the living areas. Plenty of room for the kids to run around and explore on this 7,092m² property, fully fenced for your pets and fairly flat for easy care, plus the picturesque dam which is fenced off for peace of mind. There is a 7.5m x 6m powered shed, 6.6kw of solar, NBN connected, and all of this is only 5 minutes from the service station and convenience store and approximately 25 minutes to the Gympie CBD. The views are spectacular, it's a very quiet country estate, with birds, wallabies and fantastic breezes. Immaculate inside and out, come home to quality, lifestyle and luxury.
