This 3 bedroom hardi plank home has been renovated by the current owners and it's now your opportunity to take advantage of their hard work. The lounge is spacious with an open fire and a split system, the 3 bedrooms are all a generous size with BIR's and split systems, the bathroom is stunning and features a large freestanding bath, the laundry is very modern with plenty of storage, the kitchen is a dream with an original St George stove and also plenty of cupboard space. The current owners have upgraded the wiring and painted through out then installed all new floor covering and window furnishings. Outside there is a double garage with a Auto door and a new front deck. Make the call today to book your inspection.
