This three-bedroom cottage provides the perfect opportunity to enter the property market and is only a short five-minute commute to Richmond. The home has been updated throughout over recent years, including a new kitchen and bathroom. The kitchen provides plenty of storage space and features a spacious island bench, and quality appliances. With an open-plan layout, this property offers a comfortable living space within the kitchen area, as well as a separate spacious family room or fourth bedroom. The three other bedrooms feature built-in robes. The bathroom has been updated with sleek grey tiles, a large vanity, corner shower and separate bath. The separate toilet is located nearby. The land is level and fully fenced, offering privacy and security for you and your family. The gardens are low maintenance, allowing you to enjoy a wonderful lifestyle without the hassle of extensive upkeep. There is a spacious undercover deck, and the large rear yard is perfect for outdoor activities. There is also a garden shed for the ease of equipment storage. Situated only five minutes away from Richmond village, you can enjoy the convenience of nearby amenities while still enjoying the tranquility of a peaceful neighbourhood.
