A lovely and inviting three bedroom home with plenty of scope for someone wanting an extra large shed (5m x 12m) with vehicle access, or the possibility of development into a dual occupancy (STCA). There is plenty of outdoor space and the benefit of being located within walking distance to the town, the marina and an abundance of parks/walking and cycling tracks. This comfortable home has recently been updated throughout. The light filled open plan living, dining and kitchen has been enhanced with new flooring, new kitchen cabinets and painted throughout. The home offers three good sized bedrooms all with built in robes and the main bedroom offers a walk through robe and private ensuite. The secluded front garden is fully fenced with a nice mixture of shrubs and trees along with a small raised deck perfect for morning breakfast. The property is fully fenced and secured with an electric remote controlled gate. A very attractive property with excellent location, accommodation and space.
