You will need to move quick on this one!!! 100 acres excellently presented, you will not be disappointed with this great layout. There is a perfect setting for your dream home (STCA) if this is the lifestyle you are yearning to live. Fully lasered with recycle dam, padman stops with auto timers, stock troughs to all paddocks supplied via S/D bore. Divided into 10 paddocks with native tree plantations for shade and protection, fenced laneway for easy stock movements and 80 hd steel cattle yards with vet crush for easy handling. Mains electric fence and 5 bay hay shed and workshop area. You have the option to purchase GM Water shares also. Contact Rob for an inspection.
