Commanding a convenient location, this Kingston gem will not be short of admirers. Boasting generous proportions, the property makes for a versatile and welcoming home. Whilst an original 90s dwelling, this huge property has been freshened up over the years. With a newly renovated modern kitchen and new carpets and painting throughout there is nothing left to do but move in and enjoy. With plenty of natural light, the kitchen and living areas are a warm and comfortable space that invites relaxation. The kitchen is easily accessed from the lounge and dining room and sliding doors lead to a beautiful undercover courtyard area perfect for entertaining. Offering 5 bedrooms or 4 bedrooms and a second, separate living area this fantastic family home has a flexible floorplan that provides plenty of opportunity. Upstairs the large master bedroom features an enormous dressing room and there are also two additional bedrooms. Including 5kw of solar, this property has so much to offer. The location of this property is the icing on the cake. Just a stone's throw from the centre of it all, there's easy access to Kingston High School as well as the Kingborough Sports Centre and Twin Ovals, and with Hobart a short 10-minute drive away, it's an exciting find and a fabulous opportunity to live or invest in one of Kingborough's premier suburbs.
