Peaceful, relaxing and tranquil this 2.5 acres with breath-taking views, will impress you from the moment you enter through the Wrought Iron electric gates. This substantial family residence of 56sq under roofline (35sq living) was built by local builder under 4 years ago with beautiful attention to detail. The stunning formal lounge features a stone fireplace, adjoining dining family area is the hub of the home to gather and admire those views and the large craftsman-built kitchen featuring stone benchtops, AEG appliances, walk in pantry, a kitchen to please the most fastidious cook. Undercover outdoor living is conveniently located from the family area, a fabulous area for entertaining or just sitting back, relaxing and enjoying your surrounds.

There are 4 bedrooms, the luxury master bedroom with large alluring ensuite and walk in robe. There is a private sitting room/4th bedroom, study, laundry with lots of cabinetry and mases of linen/storage along the hallway, a large double garage with internal access, beautiful timber floors, double glazed throughout, ducted heating/cooling 4 zones and 2.7m ceilings. Outside the gardens have been thoughtfully landscaped and 3 paddocks for stock. Just over 1hr to Melbourne an inspection of this quality residence and astounding views is sure to impress.
