This classic Californian style bungalow has been a much loved home to 4 generations of the same family and is being offered for sale for the first time in over 50 years. With a versatile floorplan, large living areas and a very comfortable yet mostly original interiors the home provides incredible renovation scope and also allows easy access routes to the eastern beaches, local shops and shopping centres and airport. Surrounded also by international standard golf courses and near the University of New South Wales and Randwick Hospital precinct, position is ideal for both work and family life.3 bedrooms,BathroomSeparate lounge and dining rooms Eat in kitchenInternal laundry & 2nd WC Side driveway to lock up garageWide frontage block
