\$80,000

Just metres from the hospital and school, this large, flat 544m² block sits in a great location. Orbost is a flourishing tourist town with a lovely climate (great rainfall but plenty of sunshine) and an abundance of national parks nearby. Another feature is the Snowy river for fishing and swimming, and 90 mile beach just a 25 minute drive away. Orbost has all the conveniences of a town but with a country feel. Buy the block to build and enjoy the vibrant community lifestyle, or otherwise a new home would make a great investment in a place where both short-term and long-term rentals are in high demand.
