These type of properties don't come on the market very often. Home on acreage close to town at a great price. 3 Bedroom clad ranch style home set on 40 acres. Home has good bones just needs some TLC. One end of the home is 3 good size bedrooms, 2 with BIR's. All have lovely big windows letting in lots of natural light and lovely views. Bathroom with bath, shower and basin, next to a large separate toilet. Wet areas are completed with laundry with outside back access. The other end of the home is the kitchen which opens into a dining & lounge area. Lovely open living plan again with more great windows and a floor to ceiling door leading out onto the verandah which surrounds the home. The living area has a wood combustion heater for your comfort. Outside are water tanks, pumps, garden shed, 2 dams & stable. Jump in quick and make an appointment for an inspection.
