Located 10 minutes from the Forth Village, 1172 Wilmot Road is the perfect location to get away for the weekend. The block is approximately 1.3 acres, mostly bush and native plants but does offer some cleared areas for setting up the tent or camper. Being only a few minutes walk down to the Forth River, it is a perfect base for fishing, swimming or kayaking. If you have ever wanted a weekend getaway space of your own - now is your chance!
