This two-bedroom weatherboard home sits on just over an acre in a quiet street in Heathcote. Both bedrooms have built-in robes. The ceilings are quite high, and the living area is open. The lounge has a wood heater and a split system. There is a small decked area to the front of the house and the side. The shedding is large and is a bit of a Man Cave. There is a small dam to the front of the block. A short distance from the Heathcote Golf Course and to the centre of town. The Vendors are keen to sell, so book for an inspection.
