In a handy location on the northern edge of town is this solid family home on a 980m² corner lot. This home includes 3 bedrooms, 2 lounge rooms – main with combustion heater and ceiling fan, kitchen with electric stove, rangehood, pantries and ample bench and cupboard storage and a dining area that leads out to the private green house / outdoor area with fishpond. There is an office, laundry and 3 way bathroom, security screens and doors with carpets throughout the home. A large north facing sunroom opens out onto the outdoor patio and into the private yard which includes 4 garden sheds, poly water tank and a large lockup shed with 3 bays. The southern rooms would be perfect for a work from home business as it can be separate from the main living areas. The home is in a fully fenced low maintenance yard and is a great family home option. Our motivated vendor has had a change in circumstances and would like to move the home on.
