This cleverly designed home is set on a near level 5001m² block in a country lane with the perfect Northern aspect. The passive solar design with spacious, open plan living areas and high ceilings ensures the home is energy efficient, cool in summer and warm in winter. Two large living areas both have a northern aspect, overlooking private, well-established gardens. The spacious kitchen is the hub of the home with excellent access to dining and entertaining areas; recycled bridge timbers create a stunning feature.
