\$1,920,000

Just around the corner from Denning Street, which leads all the way down to the water, Bill Fisher Reserve and Taplin Park, this semi-detached home is set over three levels including a top floor retreat and offers quiet interiors with plenty of space in a convenient location. You can move straight in and make the most of the current layout, explore the potential for dual living or further enhance to create an even more inviting floorplan, while a large elevated rear deck and fenced backyard will appeal to families and entertainers. Cafes, eateries and city buses are just moments from the door, and the home is within 15mins walk of shops along Victoria Road, Drummoyne Public School and the Bay Run. • Multiple living area options, modern kitchen and baths • Versatile accommodation with three or four bedrooms • High ceilings, timber floors, ducted air con and solar • Expansive rear deck, covered terrace, sunny garden • Direct access to the garden from the two main floors • Front courtyard provides potential for parking (STCA) Fiona & Chris
