Showcasing a fusion of family space and leisurely living, this reimagined 4-bedroom home offers the perfect blend of comfort, convenience and casual recreation, with ample room for the family to relax, grow and entertain. Manicured gardens and a classic facade with a step-free entry give an immediate sense of home as its spacious layout delivers a light-filled formal lounge, separate from a huge open family room and meals area, thoughtfully placed by the rejuvenated kitchen with gas cooking and a dishwasher, providing the conveniences needed for easy living. The raised and covered deck extends out to an easy-care courtyard and a private storage room or home office. Blissful evenings are spent relaxing outdoors, while subtle luxuries continue indoors, headlined by the main bedroom with its ensuite and walk-in wardrobe. A modernised family bathroom includes a European laundry and serves the remaining three bedrooms. Every detail ensures comfort and convenience, including split-system air conditioning, solar power, ducted heating, security cameras and an alarm system. A quiet position sits just moments from the heart of Lalor, with St Catherines Primary School, Peter Lalor Secondary College, stunning parklands, Woolworths and Coles shopping centres, Epping Plaza and easy freeway access all nearby.
