An often sought part of Bridport, this 5 bedroom family home is on two levels and is only a 'hop, skip and jump' from small beaches (for swimming or fishing) and native walking tracks. Bay views through the crown reserve, living areas upstairs and downstairs, also two bedrooms and a bathroom on both levels plus outdoor areas add to the attractiveness of this property. The block is set back well off the street (being an internal block) and is low maintenance. There is a detached double garage and access under the home for further storage
