The three bedrooms are air conditioned and have built-ins. The main bedroom is especially large and roomy. There is plenty of storage with additional cupboards in the hallway. The open plan living / dining has beautiful hardwood polished floors, which are ideal for our climate. Timber is the focus in the kitchen with the gorgeous timber benchtops and there is a gas range and dishwasher which are ideal for the cook in the family. The home has an undercover deck that is perfect to relax on. There is a second toilet located in the skillion laundry area whilst the main bathroom is located handy to the bedrooms. There is a colorbond shed in the back yard with two roller doors and workshop area. The home has recently had vinyl cladding installed, which means no exterior maintenance ever required. The whole yard is fenced and surrounds the 690m² block. There is an automatic remote gate meaning drive in without having to leave the car.
