Blissfully tucked away in the blue-chip streets of Sherwood, this magnificent home offers picturesque living on a 607sqm north/south parcel only steps from parkland and greenery. Beautifully presented, rich in character and harnessing serene scenes across the tranquil treetops, the house invites you inside, where classic casement windows, ornate cornices, ceiling roses and timber floors shine with the charm of yesteryear. The upper floor flows fluidly through the living, family and dining rooms, which are connected by a central kitchen with an open design framed by wraparound benchtops, an island bench, stainless steel appliances and extensive cabinetry. Relish in the relaxing tree-lined vistas from the undercover entertaining deck. Featuring stairs leading to the expansive sundeck, patio and backyard below, the property embraces outdoor living with endless space for parties, family gatherings and sports games. Four bedrooms and two bathrooms finalise the upper floor, including a master suite with a walk-in robe and ensuite. A lounge room resides downstairs, perfect for kids, alongside a large storage area, laundry, garage and carport. In a picturesque position neighbouring parkland, families can walk down the road to wide-open green spaces, play areas, sporting fields, dog parks and walking/bike paths.
