\$790,000

Set on an acre and a half amongst lovely established trees and with a cute country wooden house, this property is perfect for someone looking for the quiet life. With two bedrooms downstairs both with robes, bathroom with separate toilet, country kitchen with wood burner and 2nd living area with split system and doors to the back. There is also a cute first floor loft area. Lovely gardens with shed, stable, paddock to the rear and large undercover alfresco decked area.
