This mid-century property is ready for new owners who love modernist architecture. The current owner designed and built this quality home and the vaulted ceilings, exposed brick feature walls, timber accents and floor-to-ceiling windows are still impressive today. A well-equipped kitchen flows onto the large lounge dining areas and the floor-to-ceiling doors open onto a covered deck overlooking the established gardens. Away from the living zones is a recently updated bathroom that services three good-sized bedrooms all with built-in wardrobes – the primary has its ensuite. There is a double garage with loads of storage and leafy vistas from almost every room. This comfortable contemporary house is situated on 675 sqm of easy-care grounds in the Brentwood Secondary Catchment and is within walking distance to Brandon Park Primary, Brandon Park Shopping Centre, buses, reserves and close to the EastLink Freeways.
