Three living zones, four bedrooms, two bathrooms - and only one owner - on a 655.2m2 approx. block that can accommodate five cars. The numbers combine to create a singularly exceptional opportunity! This inviting home's polished floors and ducted heating complement a family format featuring a classical lounge, a central dining space and a separate family room/casual meals area that incorporates an stylishly updated open-plan kitchen. The appeal of four bedrooms and the convenience of two bathrooms supported by a separate laundry reflects the enduring character of the spaces, set against an established garden backdrop featuring paved patio entertaining. Secure garage/storage and the ample additional parking illustrate the enticing land size in an ideal setting with public transport at your doorstep, close to Sunshine Town Centre, the station and several schools including Sunshine and Sunshine Heights Primary School, Our Ladys and St Paul's Primary School, Marian College and the Sunshine College West Campus.
