Defined: Promoting a lifestyle of unparalleled luxury and relaxation in the very centre of "Old Ocean Grove", these two brand new architecturally designed townhouses are presented to the market individually for sale - demonstrating all there is to love about quality construction and amplified thought to design. Heightened vaulted ceilings, warm natural oak timber floors and lavish fixtures and fittings throughout immediately catch the eye, with four bedrooms, two living areas and a home office offering all the space you require across two cosmopolitan levels of distinct opulence. Hand crafted with a focus on attention to detail and site placement allows privileged connection to the outdoors, where days will be whittled away with family and friends, indulging in your mineral swimming pool and embracing an enviable alfresco lifestyle. These homes offer versatility as a permanent family residence, an indulgent holiday house or equally suitable for retirees looking to benefit from a low maintenance allotment without compromising on interior space. Forever appreciate the short, flat stroll to the town centre, indulging in the plethora of cafes, restaurants, beaches and retail temptations.
