Set in the heart of the Valley, Terrace Green is a new way of celebrating the Fremantle lifestyle with your own architecturally designed home amongst an established, vibrant community. Honed from carefully selected enviro-friendly materials providing naturally cool / warm seasonality, each home is bursting with individual bespoke styling, form and function set amongst village-green open spaces. Designed by local Fremantle architects and available now, choose from two or three-bedroom, two-bathroom homes with a variety of designs to suit a myriad of lifestyles. Each terrace features natural limestone finishes, crisp architectural elements and quality finishes throughout. Terrace Green promises an elegant living environment with high vaulted ceilings, a private balcony and front and rear pet-friendly courtyard gardens. Perfectly designed for comfortable, year-round living and entertaining, each Terrace Green home offers comfort, convenience and style close to the heart of Fremantle. 3 bed 2 bath 2 cars Please call John Howell on 0499 773 075 or email [john@dgre.com.au](mailto:john@dgre.com.au) for further details.
