This master-built 4 bedroom family home has many features and is ideal for a larger family. Situated in one of Box Hill's most popular precincts, the new owner will enjoy the open plan tiled living area, kitchen with stainless steel appliances and ducted air-conditioning. The ground floor bedroom and bathroom would suit teenagers or in-law accommodation. Single garage with internal access, a driveway carspace, and ample street parking are a benefit. An easy maintenance back yard means you can gently stroll to Ceres Way Reserve and Equinox Drive Reserve rather than spend your weekends mowing. Popular schools, Rouse Hill, Carmel Village Shopping Centre and the Sydney Metro are a quick drive away. Call the BCM Team on 9627 0000 for more details.
