Tucked away on a tree lined internal block in the popular township of Somerset, this immaculately preserved and presented double brick solid construction two story home is sitting pride of place and awaiting it's new caretakers. From the moment you arrive at the front door you will note its original features which have been lovingly restored and I challenge you not to fall in love as you walk in. Features include but are not limited to:

- An adaptable floor plan - main house with four bedrooms and two living or five bedrooms one living
- Semi contained studio separate to the main house. Perfect for the teenager, visiting family and friends or short-term accommodation option
- 2nd level has a number of chill out zones for those wishing to relax and read a book while taking in the sun-drenched zones. Separate space perfect for a study area
- Fully updated galley kitchen with butler's pantry worthy of inclusion in a home decor magazine. Gas cooktop and entertainer's oven
- All bedrooms are of significant sizing - master with ensuite
- High ceilings, curved walls, ceiling roses and vintage lighting feature all throughout the home
- Beautiful low maintenance gardens and alfresco entertaining areas - perfect for those long lazy evenings
- 12 solar panels

The list goes on - however I encourage you to see with your own eyes and arrange an inspection today! Walking distance to the shopping strip and local school, there is much to love about this gorgeous home built in 1945. *Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
