Expressions of Interest closing Thursday 7th December at 5pm Set amongst Melbourne's most revered Real Estate and featuring an abundant northerly aspect, this broad, elevated allotment of some 892sqm approx. provides a blank canvas in which to create a luxury residence of significant scale - limited only by imagination. The opportunity also exists to acquire the adjoining site totalling a combined 1800sqm approx. if desired. An incredible opportunity in one of Melbourne's most tightly held precincts.
