Offering a perfect blend of easy modern living and stylish design means you'll absolutely love coming home to 11B Star Street. Solidly built in double brick, in 2010, with 3 bedrooms, 2 bathrooms, 2 living areas and double automatic garaging this home ticks all the boxes! As you enter the home, just off the tiled entrance, you are greeted by a formal spacious living room that provides practical separation from the large open plan living, dining area and kitchen. This would make a great theatre room or oversized home office. The large light filled main living room boasts dramatic over height ceilings and large format tiles. A bulkhead over the kitchen and coffered ceiling over the lounge space cleverly breaks up the room. The kitchen features quality appliances, a generous breakfast bar, acres of bench top and plenty of storage. This is a kitchen for gastronomes to cook up a storm, or a perfect place to enjoy tea and toast. The home also boasts a luxurious master bedroom with a walk-in closet and ensuite bathroom. Two additional bedrooms provide additional amenity, and both have convenient built in storage. Outside, you will find a private paved courtyard completed with a pitched undercover patio area. Accessed directly from the main living room this is the solution to easy indoor outdoor living. • Ducted reverse cycle air conditioning • Alarmed • Reticulated garden • 1kw PV (Fronius Inverter) Within walking distance of the Lathlain and Carlisle cafe and restaurant strips, around the corner from Mineral Resources Park, and close to nearby regular public transport, 11B Star Star Street is perfectly located. Inspection is a must. Don't miss the first home open. Council- \$2,110.81 Water - \$1,333.85 Strata - \$650.68/q
