Hidden at the end of a quiet close, surrounded by nature and with a backdrop of birdlife and crystal clear waters, this unique family home ticks all the boxes for rainforest acreage living. Just 30 minutes from the Cairns CBD and the Atherton Tablelands, this private home sits well back from the street and provides 4 bedrooms, 2 bathrooms, undercover parking for 5 vehicles, pool, shed, spa and much more, all on over 2 acres of freehold backing onto rainforest for a very FNQ feel. Inside, the home has been beautifully maintained and benefits from high ceilings, polished timber floors and plenty of natural light, with upstairs comprising 3 bedrooms, main updated bathroom, central kitchen with stainless steel appliances, multiple living rooms, and a large covered deck perfectly positioned to look out over the property. Downstairs is predominantly self-contained, with large bedroom, bathroom and laundry/kitchenette - perfect for teenagers looking for more space, multi-generational living or potential space for air-bnb. There is a modern main laundry, heaps of storage, additional outdoor entertaining space and even an undercover spa (now fenced). There are dual driveways for access, the shed is powered with room for both a vehicle and workshop/storage and the pool is perfectly positioned to take advantage of the leafy outlook. The owners have lovingly landscaped the home's surroundings to provide an attractive mix of native greenery, as well as room for kids and pets to play in the grass. Whether watching kids swim in the pool, relaxing with a drink or just surveying the wildlife, there is no shortage of quiet spots to while away the time, and for the more adventurous a nature walk beckons, from the manicured paths of this property through to tackling the neighbouring ranges. With an easy flowing creek running through the property, there are plenty of opportunities to dip your toes in the cool water, or just enjoy the relaxing sounds in the background. A rare opportunity to combine rainforest living with all the modern comforts, this is a home that is well worth seeing for yourself. To make it yours, call Tom Quaid at Quaid Real Estate.
