Welcome to 12/50 Windemere Gardens Proserpine. This centrally located home is situated in Windemere Gardens which has been specially designed for low maintenance living in mind. Constructed of brick externally and plasterboard on the inside this home is built for the tropics cool in summer and warm in winter also fully air-conditioned throughout. With a large open-plan living lounge and dining, kitchen, painted with cool shades of pale blue the kitchen features a contrasting bright blue giving this area a fun feel. Down the hallway to the Main room with an ensuite and built-in cupboards and the other generous bedroom across from the Main bathroom of the home. This house has certainly been designed for comfort. The outdoor area is beautifully shaded leading out onto the manicured garden and backyard such a beautiful spot to have your morning coffee. Please don't miss the opportunity to own your slice of paradise. Please call me on 0438755725 for a private inspection.
