An exciting opportunity to secure a beautifully maintained town house located in an appealing complex in close proximity to Margaret River town centre. With a contemporary solar passive design, this trendy one bed townhouse is brilliantly light and bright, easy living and has an open plan design. It offers an ideal low maintenance home or investment property. Tastefully appointed with large glossy tiles downstairs, quality carpets upstairs, window treatments and underfloor heating to the bathroom. There is also reverse cycle air-conditioning both downstairs and upstairs. Townhouses within this complex are popular with investors due to their popularity with tenants and low maintenance design, alternatively an ideal lock up and leave abode.
