This neat and tidy two bedroom home is well suited to a small family, couple or single. The home itself sits in a well presented, quiet complex only a short stroll or drive to local schools and shops as well as being on the local bus route. The open plan living space provides a reverse cycle wall mounted heat pump with access to the fully fenced back yard through the well thought out kitchen. The bathroom, toilet and laundry have their own separate spaces. Each bedroom is generous in size with ample sunlight beaming through throughout the day. This property comes with one car space with visitor parking also available onsite. Pets will be considered upon application subject to bodycorp approval. Please register your interest to secure your inspection time.
