Come and see for yourself - this has to be the very best view in all of Ansons Bay. High on the hill you'll sit on the verandah watching the boats go in and out of the bay as well as watching the yachts and cray boats traverse up and down the coastline. Surrounded by bush and Australian native flora you'll have kookaburras sitting on your verandah rail and eagles flying over regularly. As you wind your way up the driveway the view hits you like a gust of sea breeze - it is absolutely brilliant. The ocean stretches as far as the eye can see, and it's all yours from the get go. A very comfortable two bedroom cabin awaits with exceptional underhouse storage, a full width verandah, timber floor boards and comfortable living and kitchen area with wood heater. This two bedroom cabin is a gateway to the great outdoors, a base camp for adventure seekers, and a tranquil hideaway. 12 Acacia Drive, Ansons Bay is truly a piece of paradise. Plus, being sold fully furnished, this home is ready for you to move straight in. Don't miss the chance to make it yours, adventures, memories, and breathtaking views included. Inspection is strictly by prior appointment, so please phone Garry or myself to arrange a time to view in person.
