This lovely charming house is now on the market and it just has the coziest feel from the timber floors to the gorgeous blue walls in the lounge & dining room. Located high up in Bakhsh Street you have views of the Buchanan Park complex perfect stroll to the Rodeo or the races. The block size is large at 1,120m² and is a perfect landscape for pools and sheds. There are two carpeted bedrooms with split system air conditioning and one with built-ins. The modular kitchen is in great condition and has good storage and a large pantry. The bathroom is tucked away with shower over bath and toilet combined. Internal laundry makes life easy. Outside there is an undercover carport and two lots of sheds and tiered gardens for that charming feel. The property is well fenced and secure. Call Vivid Realty to inspect 47 49 5550.
