This four-bedroom, two-bathroom, low-set brick home is a light-filled, spacious and highly practical family home. The layout of the interior delivers excellent opportunities for relaxing and entertaining. A spacious kitchen with stone countertop opens to an alfresco covered dining area, which flows out to a fully fenced below ground pool and backyard. Inside, the carport has been cleverly converted to an additional living space or entertainment room, meaning everyone can enjoy their privacy. This home also includes air conditioning, ceiling fans and built-in robes. The large master bedroom is a highlight, with a walk-through robe and private ensuite bathroom. Outside, the spacious 4047 sq m block has a large shed for convenient storage space, and solar panels on the roof. Situated in peaceful Lakes Creek, this home provides country-style living just a short drive from the heart of Rockhampton. It makes perfect sense for a family that loves to spread out, make the most of a beautiful location and enjoy an indoor/outdoor lifestyle. - 4 bedrooms- 2 bathrooms- Lowset brick home- Additional living space- Air-conditioning- Ceiling fans- Renovated kitchen stone benchtops- 4047 sqm block- Fully fenced- Large shed- Inground pool- Side access- Fully fenced- Solar panels
