Built on a 916 m2 block with a 2 bay shed. Good solid construction, fully fenced big yard and fully air-conditioned home. If it is time to 'own your own' this would make an excellent start. This is a comfortable home with an awesome back yard for pets or play. Open plan kitchen, dining, family with media. Split air conditioning, fans, builtins, tinted windows and security screens. A walkthrough bathroom with a shower, vanity and a bath, separate toilet, separate laundry. Undercover outdoor entertaining overlooking your back yard. Imagine the possibilities.
