Remove yourself from the hassle of city living with its traffic congestion, increasing population growth and increasingly expensive lifestyle to the laid-back beautiful rural town of Tallangatta on the banks of Lake Hume. Solid in construction, this 2 bedroom home plus study/3rd bedroom is serviced by a single bathroom plus generous sized kitchen and separate living area with reverse cycle split system and gas console heater for year-round comfort. Set on a great sized lot measuring 780m², this home offers several other additional features including 3kw back to the grid solar and fully powered 8m x 8m garage with dual roller doors.
