Built with quality in mind, this spacious near new four bedroom, two-story home was designed with exemplary size and appeal. With a generous open plan living area, magnificent hostess kitchen, walk in pantry, stone bench tops and timber flooring, plus the added comforts of downstairs powder room, central heating and evaporative cooling. Comprising of four bedrooms, two master bedrooms, one on the ground level and one on the second level, both include WIR and ensuites. The two remaining double bedrooms, again one on the ground level and one of the second level include built in robes. With a central bathroom and secondary living zone to compliment the second level living and will accommodate large families that need their own space. The main living flows out to the alfresco area that overlooks the huge lawn area, great for entertaining your guests. Other features include high ceilings, a single garage with internal access and plenty of storage. Perfectly positioned with close proximity to Altona Beach, Pier Street, Mount St Joseph College and public transport with approximately a 5 minute walk to Westona Station, this property is not one to be missed.
